

**BEAT THE MEDALLIST
NO RISK NO COST
INDIVIDUAL & TEAM CHALLENGES**

Dear Events Team

WHO WE ARE:

Legacy 300 is an athlete led purpose movement which since 2012 has as of 11/11/2023 raised over £600K in direct donations to good causes through the staging of experience days, hosted by GB Gold Medallists.

The athletes are looking to raise a £1 million for good causes by the start of Paris 2024, as this does not cost good causes any money, then it is up to you as to whether this is achieved.

BEAT THE MEDALLIST: INCENTIVISING FUNDRAISING FOR INDIVIDUALS

- We are adding FUNDRAISING CHALLENGES to each event.
- The host Olympic Athlete will establish a time or target on the day for people to try and surpass.
- In addition to any contribution made above and beyond the entry fee by the participant they can encourage friends, family, and colleagues to support them in their quest to Beat the Medallist.
- Fundraising will GENERATE BONUSES, giving people the chance to Beat the Medallist.
- This will be by PARTICIPANTS personal choice of donation page.

CORPORATES

- There are exclusive experiences available to corporates for their individual members of staff to fundraise and try and Beat the Medallist.
- We have a separate brochure for that, we will produce one specific to your charity with your contact details and suggested donation to your charity.

Workload for you:

- All that you need to do is make these events part of your conversation with supporters.
- Individual supporters can participate and fundraise for you on our shared experience days in 2024.
- Participants pay entry fee to us (I believe this looks better on your figures?) and the fundraising goes direct to you. **There is no need to pay for places in advance.**
