UNIQUE ROWING AND CORPORATE TEAMBUILDING EVENT

Paris 2024 will once again bring forth new sporting heroes and this is your chance for you, clients and your colleagues to take part in a once in a lifetime charity event and get to meet with and uniquely compete against the GB Medallists. Whilst **SIX** of you will be taking part in on water rowing challenges hosted by medal winning GB Rowers, other GB Athletes will be hosting a variety of riverbank challenges for 20 of your colleagues to compete for individual and team medals.

The afternoon experience will see your group get to participate in sporting activities with the GB Athletes, take part in fun sporting challenges and on land puzzle challenges, listen to and question the Athletes on their careers and go home with seized photo opportunities and signed personal souvenirs.

Each activity has an amazing opportunity to take on the Athlete and your group in a Beat the Medallist challenge which can be used by the company to fundraise for your chosen good cause. You will have your own hospitality and networking zone which the GB medal winners will attend in rotation. The attending athletes will be announced in September, but will be drawn from the Cycling, Rowing, Canoeing squads and other GB athletes.

All equipment is provided, just bring towel and your rowing clothes.
