ROWING HOMECOMING

15th, 20th 22nd SEPTEMBER 2024

Training and Q and A's with 11 members of GB Women's and Men's Paris 2024 Squads

This September will see a unique Rowing experience hosted by 11 members of the GB Squad fresh from Paris 2024 at Henley on Thames. An afternoon of erg challenges, photo sessions, Q and A's and the chance to take to the water in a Quad with one GB Rower or in an eight with two GB Rowers is the unique opportunity that you can secure today. Each place costs £205 and will generate places on Athlete Days for good causes to leverage adding to the £625K raised so far by these days

Or as per the communications to the school in April, each rower generates £200 in fundraising to row for free, with a special prize for the first school to hit their target, (minimum six rowers). Any surplus can go towards sports provision at club/school.
