UNIQUE CYCLING AND CORPORATE TEAMBUILDING EVENT

One for the Cycling fans here, who get to indulge themselves but can justify the company expenditure by bringing along colleagues to take part in a series of fun sporting and non-sporting team building activities, whilst you enjoy guilt free your VIP Cycling package.

Paris 2024 will once again bring forth new sporting heroes and this is your chance for you, clients and your colleagues to take part in a once in a lifetime charity event and get to meet with and uniquely compete against the GB Medallists. Whilst you will be taking part in a Track Cycling challenge hosted by medal winning GB Cyclists, other GB Medallists will be hosting a variety of indoor and outdoor challenges for your colleagues to compete for individual and team medals that are presented on stage.

The five-hour experience will see your group get to participate in sporting activities with the GB Athletes and fellow participants, take part in non-sporting fun games and puzzle challenges listen to and question the Athletes on their careers and go home with seized photo opportunities and signed personal souvenirs. Each sporting activity has an amazing opportunity to take on the Athlete and your group in a Beat the Medallist challenge which can be used by the company to fundraise for your chosen good cause. You will have your own hospitality and networking zone which the GB medal winners will attend in rotation. The attending athletes will be announced in September, but will be drawn from the Cycling, Rowing, Canoeing squads and other members of the GB Athletes involved in the Legacy 300 purpose project..
